

| Code   | Measurement                            | Range  | Graduation | Accuracy |
|--------|--|--------|------------|----------|
| 4851-1 | leg height                             | 0-20mm | 1mm        | ±0.5mm   |
|        | crown height                           | 0-3mm  | —          | ±0.5mm   |
|        | theoretical leg height of convex weld  | 0-20mm | 1mm        | ±0.5mm   |
|        | theoretical leg height of concave weld | 0-20mm | 1mm        | ±0.5mm   |

### 1. Application
